

ETIS – Customer Information Web Portal

ECOlogistics for our future

ETIS – Customer Information Web Portal

For daily stock information we developed the Web-Tool **ETIS**

The Web-Portal allows your teams to check/download a full stock image.

Data like:

- Daily train operation status
- In-Gate date and time
- Out-Gate date and time
- Interchange
- Unit pictures (truck IN/OUT Gate)

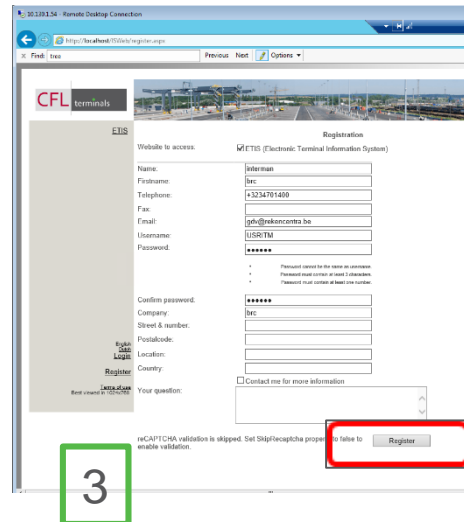

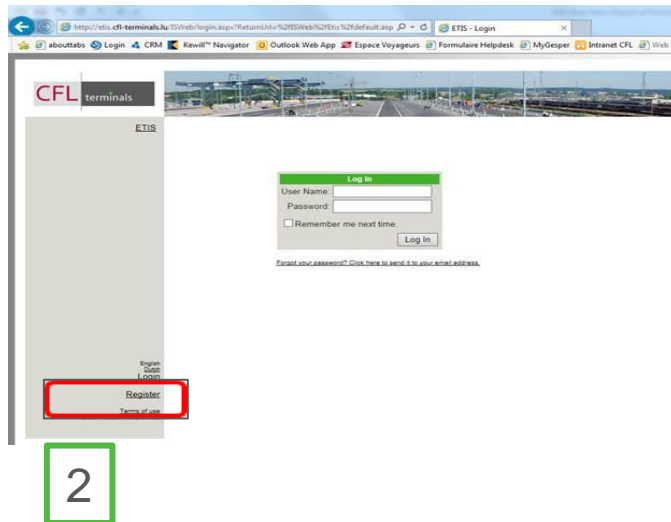

are available at any time.

ETIS – Customer Information Web Portal

Registration process

Enter the link in your Web-Browser or click on:

1. <http://etis.cfl-terminals.lu/ISWeb/Etis/default.aspx>
2. Click on **REGISTER**
3. After filling in the form, please press the register 'button' and the request will be send
4. The requesting-user will receive a confirmation mail, which contains also a unique 'ETIS verification code'.
5. This verification code must be entered (one time) during the first login to ETIS.

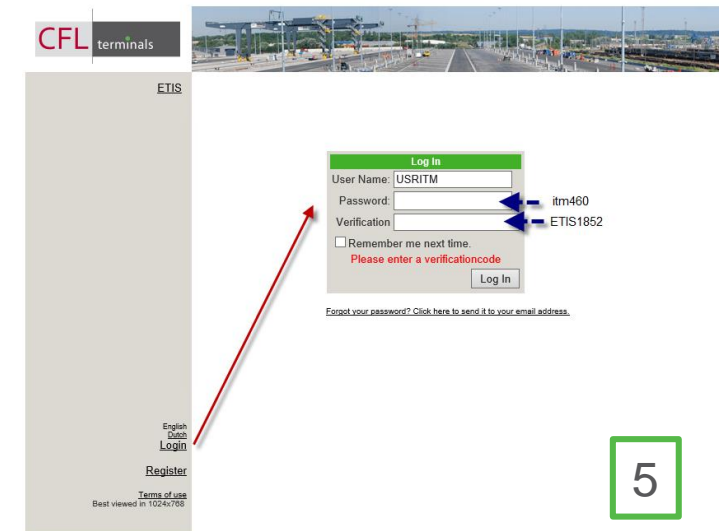

Thank you for registering @ CFL's Electronic Terminal Information System!

This is a confirmation mail.
This is the verification code you need the first time you log on: **ETIS-1852**

Your data:
Site: Etis
Username: USRITM
Password: itm460
Name: brc interman
Telephone: +3234701400
Fax:
Email: gdv@rekencentra.be
